RAILER BASKETBALL SCHOOL

The **RAILSPLITTER OFFENSIVE BASKETBALL SCHOOL** is designed to work on improving your game with repetition of the offensive skills of shooting, passing and ball handling. This school is for any boy or girl that is interested in working on the fundamentals of basketball to help improve their game so they can participate at a higher ability level. We will not play games and no awards will be given, just repetition of skills to improve your game.

Parents are welcome to observe the camp to watch their son/daughter participate in the fundamental drills. The camp is open to boys and girls entering the 3rd grade through high school for the 2020-2021 school year.

Our area has had a great tradition of producing outstanding basketball players. This is accomplished by hard work, discipline, and dedication. We feel that after thirteen days of workouts you should see noticeable improvements in your offensive skills. Good players work daily to improve their game so continuation of the drills provide by attending this school will make you a much better player.

This school will feature instruction in all the basic offensive fundamentals of shooting, passing and ball handling. Repetition on shooting, working from the triple threat position as well as coming off screens, shooting off the dribble, and just catching and shooting the ball will be areas devoted on. We will also spend a lot of time at the free throw line working to help improve your shooting percentage. Ball handling skills will include the jab & go, the crossover, and change of pace: all moves to help create space for you as a player to become better. Passing skills will include the one-handed pass, the two-handed pass, feeding the post, and passing from the post area along with other situations.

For further information, I can be reached between 10:00 a.m. – 3:00 p.m. at Lincoln Community High School; 217-732-4131, ext. 1263 or my Cell Phone 217-314-9192. Please feel free to call if you have any questions or concerns regarding your child participating in the Offensive Basketball School.

Thank you,

Neil Alexander
